SOBER PARAGON CHESTNUT

(Tree 5 years old)

QUALITY is perfect and compares favorably in sweetness and delicacy of flavor with the native chestnut. The nuts are from *three to four inches in circumference*, and occasionally one is found that will cover a silver dollar, while an average nut will cover a silver half-dollar. Thirty-two selected nuts when first gathered weighed a pound, and forty-eight *average* nuts filled a quart measure. The burrs are large and thick, slightly flattened, the spines being long and stiff, and the nuts averaging from three to five in each burr.

WHERE VALUABLE. As specimen tree for lawn or garden, along driveways and roadsides. For parks and for orchards.

COPYRIGHTED 1908

TO every Sober Paragon Chestnut Tree, when shipped, is attached a metal seal upon which is impressed the words "SOBER PARAGON" as illustrated herewith.

WARNING.—This is our Trade Mark and purchasers should refuse trees not bearing this seal as they are not genuine.

REMARKS

SUGGESTIONS TO CORRESPONDENTS

Note

All quotation are for immediate acceptance, subject to stock being sold. No liability to attach to us where frost, drought or other casualties beyond our control prevent delivery of stock that may be contracted for.

ORDER EARLY, as orders are filled in rotation. Do not wait until the ground is ready to plant before sending in your order.

QUALITY. The trees and shrubs offered are grown in open, unsheltered ground, in a very exposed situation, which insures their hardiness, and on soil admirably adapted for forming robust plants having an abundance of roots. Special attention is called to the fact that our stock is grown a good distance apart in the rows, insuring heavier trees and shrubs than are generally offered.

EXPRESS. In all cases when possible we advise our customers to have their goods forwarded by express. Plants, trees, etc., are now taken by the leading express companies at a reduction of 20% from the regular merchandise rate.

TERMS. **Cash with order**, except to such persons as satisfy us as to their responsibility.

PACKING CHARGES are made at actual cost on all orders except when cash accompanies order; then goods are **PACKED FREE** as a cash discount.

REMITTANCES should be made by Post Office or Express Money Order, or by checks on Rochester or New York. As our banks charge exchange on checks on all points except Rochester or New York, please add $\frac{1}{4}$ of 1% on private checks. We cannot be held responsible for losses when remittances are not made as directed above. Cash sent through the mails is at sender's risk. **Make all remittances payable to Glen Brothers, Inc.**

WE GUARANTEE every tree or plant to be in a perfectly healthy condition, up to grade and first-class in every respect, when leaving our hands, but after delivering to forwarders all losses resulting from delays or exposures in transit are at risk of purchaser.

CLAIMS, to receive consideration, must be made within five days after receipt of the goods. Claims for damage in transit must be made to the company delivering the goods, and should be presented promptly.

ERRORS. We exercise the utmost care in filling orders, **and always put in more than is ordered**, but during the rush of the busy season an error is occasionally made, and satisfactory correction will be promptly made upon notification. Keep a copy of your order for comparison.

INSECT AND FUNGOUS PESTS. A certificate of inspection will be sent with each shipment. Stock will be fumigated when requested, unless your state law requires it, in which case all stock will be treated before shipment.

Address all orders to

CHRISTMAS ROSE (New)

THE fame of Rochester's Christmas Rose has gone abroad through the land, and the owner of the bed has been besieged with letters from persons wanting to beg or borrow roots or slips. Till you have seen a great bed of these flowers in blossom, you can have no conception of their beauty, and they hardly look "real" when you see them *in full bloom with the snow covering the ground.*

Just imagine the triumph of being able to pick at one time in December six hundred blossoms as was recently done. No wonder the bed is known as the finest in this country, for the CHRISTMAS ROSE is a native of Europe.

As you hold one of these exquisite blossoms in your hand, it seems unbelievable that it blooms out of doors in the winter, with snow covering the ground, but such is the fact, and all can have this exquisite gem. We offer extra strong plants \$1.00 each, \$10.00 per dozen.

ON'T buy cheap stock because it is cheap. Cheapness does not consist of what you pay but *what you get for what you pay*. Our prices are as low as can possibly be quoted for same quality stock.

If you have never ordered from us a trial order will convince you that "Glenwood Grown" N. Y. State Stock is superior.
